Who should apply to be a District of Distinction?

Any California special district that wants to demonstrate publicly the effectiveness of its operations. Applying for this designation shows that your district understands and respects the responsibilities inherent to providing essential public services in a fiscally responsible manner.

What does a district receive for completing the program?

Districts of Distinction earn the right to use the program's seal on district materials and a plaque honoring their accomplishment. SDLF will also send a letter to a local publication and notify legislators on a district's behalf.

How does a district apply?

Districts interested in earning the Districts of Distinction designation must complete the application and submit it along with the required documentation. Applications must also be accompanied by an application fee.

If my district is a member of the Special District Risk Management Authority (SDRMA), will getting a District of Distinction accreditation save me money on my premiums?

Yes. SDRMA offers Credit Incentive Points (CIPs) if your district earns the District of Distinction accreditation which can provide significant premium discounts. For more information, contact SDRMA at 800.537.7790 or visit www.sdrma.org.

RE-ACCREDITATION
